Industry Changer,
Don't Miss This One!

The 2018 Fall Seminar Covering:

Understanding OEM Statements:

*What do they really mean? What's different? What's not?
Know what you are getting into.*

**2018 - Aluminum Ford Expedition - Lincoln Navigator
2018 - Nissan Rouge**

UNDERSTANDING REPAIR LIABILITY

**THIS MEETING IS A MUST FOR EVERY, SHOP OWNER, MANAGER,
TECHNICIAN, ESTIMATOR, INSURANCE REPRESENTATIVE.**

For 30 years ATEG has been covering the information that Technicians, Estimators, Shop Owners
Office Staff and Insurance Representatives must know when dealing with these models.

This Seminar will answer questions like:

A look at some OEM position statements, What are they telling us?

Vehicle Electronics, What needs to be done?

New metals and other new materials.

What type of welds and welding procedures? What parts must be replaced?

One time fasteners? What factory sectioning procedures apply to these models?

What joints should be used and where? What areas are never to be sectioned?

And much more....

**All individuals that attend both Spring and Fall ATEG Seminars
receive FREE technical support throughout the year.**

All others may contact ATEG but will be charged a fee per technical question.

Registration begins at 6:00pm, SEMINARS STARTS AT 6:30pm SHARP!

Many of these informative seminars have sold out in the past, **REGISTER EARLY**
