*Industry Changer,
Don't Miss This One!*

**THIS MEETING IS A MUST FOR EVERY, SHOP OWNER, MANAGER,
TECHNICIAN, ESTIMATOR, INSURANCE REPRESENTATIVE.
WE ALL MUST UNDERSTAND REPAIR LIABILITY**

For 30 years ATEG has been covering the information that Technicians, Estimators, Shop Owners
Office Staff and Insurance Representatives must know when dealing with these models.

This Seminar will answer questions like:

- New metals and other new materials.
- Vehicle Electronics, What you need to be aware of, never ending changes.
- What type of welds and welding procedures?
- What parts must be replaced? One time fasteners?
- What factory sectioning procedures apply to these models?
- What joints should be used and where? What areas are never to be sectioned?
- And much more....

**All individuals that attend both Spring and Fall ATEG Seminars
receive FREE technical support throughout the year.**

All others may contact ATEG but will be charged a fee per technical question.

Registration begins at 6:00pm, SEMINARS STARTS AT 6:30pm SHARP!
